

## Little Possums Curriculum Overview

### Term 2

Religion	Writing	Phonics	Mathematics	Health
<p>In Religion, the Kindy/ Pre Primary students are learning about Confirmation. This unit explores how the Holy Spirit helps people to show love through words and actions.</p> <p>In the second half of the term, the students will complete the unit of Baptism. They will explore how the Church is made up of people who gather and belong to God's family</p>	<p>In writing, students will complete two units of work. The first narrative unit is based on the story 'Possum Magic'. The second unit will focus on 'informational texts' in which the students will focus on the possum.</p>	<p style="text-align: center;">Pre Primary</p> <p>In Phonics, students are learning to recall their knowledge of sounds and begin segmenting and blending VC and CVC words.</p> <p style="text-align: center;">Kindy</p> <p>In Kindy, students are building their language</p>	<p>This term we will be exploring the following Mathematical concepts.</p> <ol style="list-style-type: none"> <li>1. Subitising</li> <li>2. Comparing Numbers</li> <li>3. Length, height and area</li> <li>4. Numbers 10 to 20.</li> <li>5. Positional language</li> <li>6. Halves</li> <li>7. Data collection</li> </ol>	<p>In Health, students are learning to identify feelings and emotions as well as safe and unsafe behaviours.</p>
History	Physical Education	Music	Science	Art
<p>This term, students will be exploring the past and how the stories of the past can be communicated and passed down. They will also look at past events and how they can commemorate events that are important to them.</p>	<p>During Physical Education lessons this term, children will be preparing for the Cross Country Carnival through endurance running activities during lessons. The children will also be involved in a unit of work focussed on soccer before commencing their team game preparation for the Term Three Athletics Carnival.</p>	<p>This term in the music room, the Three-year-old Little Possums will be doing a lot of music and movement songs. Themes this term are transport, farms, bears, colours where we not only dress up but create the environment with cardboard, paper, chairs, material and other items the students can use. Percussion instruments will be used to improvise sounds associated with the themes.</p> <p>The Kindy P/P Little Possums will be having lots of fun with music and movement songs. They will be organising their own little concert where they will be aiming to practice performing to a familiar audience. (This is usually members of the staff). The students will be learning to be an attentive listener during performances which encourages good audience behaviour</p>	<p>This term in their Physical Sciences unit, students will be learning about the way objects move and how those movements depend on a variety of factors, including their size and shape.</p>	<p>This term students are looking at form. They will do this by exploring clay and drawing.</p>
Indonesian			Digital Technologies	
<p>Topics that will be covered during Indonesian lessons this term include:</p> <ol style="list-style-type: none"> <li>1. Time, day and months</li> <li>2. Body parts</li> <li>3. Clothes</li> <li>4. Weather conditions</li> <li>5. Classroom objects</li> </ol>			<p>This term, students will be exploring data and the different ways data can be represented.</p>
